REPORTS

R1 Yellow Point Park

Looking fine.

R2 Blue Heron Park

Also looking good. During this mild winter, not much debris has accumulated.

R3 Raven Park

No report.

R4 Elliott's Beach

Twelve or fifteen good-sized alders came down in a recent wind storm, some of them blocking the parking lot, and were cleared up by a local volunteer. The toilet surround needs painting again. We still need to clear away the big stump at the bottom of the stairs to the beach, which prevents people from being able to access the railing.

R5 Michael Lake Trail

No report.

R6 Trillium Park

Less flooding this year.

R7 Raise Road

No report.

R8 Ladysmith Parks and Recreation and Culture

The recent meeting focused at length on the proposal for an offleash dogpark within the town of Ladysmith. Davis Road School and Brown Drive park were among the suggested venues. Ladysmith parks board will make a recommendation to council.

NEW BUSINESS
NB1 Signage

Bruce Mason mentioned that he recently saw a sign at Stocking Creek park about picking up after dogs, and suggested we obtain some from the CVRD for Area H parks. Mary Marcotte said these signs would be available for those of our parks where they are required. Expenses for the signs would come out of our budget.
