

Saltair Centennial

Community Park - Electoral Area G

CONCEPT PLAN 2021

PROPOSED NEW FEATURES

(Based on community input to date.)

- (A1) OPTION 1 Fenced Off-leash Dog Area**
 - 180m - 1.22 m perimeter fence with 3 access gates
 - planting buffer and gravel surfacing
 - estimated cost \$40,000
 - less drainage work needed
 - sound concerns for residences on S. Oyster School Rd.
 - sound concerns for Community Centre
 - no vegetative buffer (sound control)
 - greater distance to other park amenities
 - smaller available space
- (A2) OPTION 2 Fenced Off-leash Dog Area**
 - 250m - 1.22 m perimeter fence with 3 access gates
 - field drainage, planting buffer and gravel surfacing
 - estimated cost \$50,000
 - drainage work needed due to seasonal wet areas
 - no sounds concerns due to greater distances to nearest residences and extensive vegetative buffer
 - central location in park so both parking areas can be utilised
 - larger available space
- (B) Park Perimeter Walking Path**
 - 1,250m - 2.0 m wide
 - estimated cost \$75,000
- (C) Nature Playground**
 - naturescape or playscape addition
 - estimated cost \$40,000 - \$80,000
