

Utilities Update - Water Main Flushing

DHW, SPW and CPEW System Flushing

Monday, February 27th through Friday, March 3rd, the CVRD will be carrying out flushing of the Douglas Hill, Satellite Park and Cherry Point Estates Water Systems.

Residents may experience some air in the lines and discolouration of the water supply during these operations. Should this occur, running a cold water tap for a short period will help to restore the water quality to normal. Should the problem persist, please call the Operations Department at 250.746.2530.

Schedule:

Monday, March 6 – Friday, March 10, 2023
