Terrestrial Parks Methodology

Schedule P contains maps identifying terrestrial parks in the CVRD electoral areas. The parks identified in Schedule P were provided by CVRD Parks & Trails Division and identify CVRD owned or managed parks within the electoral areas..

Parks and trails are typically acquired through the CVRD's capital budget process or when lands are subdivided or rezoned. The provision of parkland at the time of subdivision is a legal requirement of the *Local Government Act*. Exceptions to this process include regional parks, regional trails, and provincial parks located within electoral areas. These parks may be maintained or operated by the CVRD through partnership agreement with other local or provincial governments.

Additionally, the CVRD acquires parks and trails infrastructure through charitable donations in exchange for tax receipts. Establishment of public park spaces and trail corridors can also occur through negotiated, long-term leases, licences or permit agreements with land agencies, such as the Nature Trust of British Columbia or the Provincial Ministry of Transportation and Transit.

Schedule P also includes Cobble Hill Mountain Regional Recreation Area which is the result of a 2001 agreement with Ministry of Forests to manage outdoor recreation within the designated Forest Recreation Reserve on Cobble Hill Mountain.

Map Interpretation

Mapping schedules contain the following reference features: CVRD electoral area boundaries, parcel boundaries, Indian Reserves, and roads including primary highways (freeways and highways) and secondary roads (arterial, collector, and select local roads) as identified in the provincial Digital Road Atlas.

Introduction

The map naming conventions indicate the Schedule letter, electoral area, and map number as follows.

Map Identification Key			
Map Name	Schedule	Electoral Area (if applicable)	Map number
Map P1	P	Index	1
Map P1.1	P	A/B	1.1
