

CVRD News

ENVIRONMENT

Water Open Houses

Drinking water and watershed management have consistently been identified as priority issues by the public. In early 2017, the CVRD asked the community for its input on the role of local government in addressing drinking water and watershed protection in the region.

Building on what we heard in 2017, the CVRD will be reaching out to the community again throughout February to get input on possible options for a drinking water and watershed protection service for the region.

Public input can be received at www.placespeak.com/drinkingwater or by attending an open house.

- Tuesday, February 13, 3-5 p.m. and 6-8 p.m. Kerry Park Recreation Centre
- Thursday, February 15, 3-5 p.m. and 6-8 p.m. Frank Jameson Centre, Ladysmith

The public's input and further recommendations will be considered by the Regional Services Committee at its March 28 meeting.

JOB OPPORTUNITIES

Electrical & Instrumentation Technician

Regular Full Time

If you love to be challenged, are motivated and a team player then you may be interested in our newly created Electrical and Instrumentation Technician position. You would be responsible for ensuring the continued safe operation of electrical equipment and systems in the Water Management Division. The Electrical and Instrumentation Technician will carry out electrical maintenance and repairs for all water and wastewater facilities and is responsible for the safe and efficient troubleshooting and repair of all facility and field instrumentation systems and devices.

Emergency Telecommunications Coordinator

Regular Full Time

We are looking for someone with superior communication skills and the ability to prepare and conduct training to fill the role of Emergency Telecommunications Coordinator. This position is responsible for project management for all emergency communications systems related projects and provides 24/7 support for CVRD emergency communications and the E9-1-1 radio communications.

Utility Worker at Kerry Park

Temporary Full Time

Consider joining our team in the South Cowichan facilities as a temporary full time Utility Worker. You would be responsible for the cleanliness, sanitation, house-keeping, and building and grounds maintenance for the complex. Main duties include cleaning, room and equipment set-ups and tear downs, building maintenance, groundwork, sports field complex maintenance and security, and assisting in the preparation and maintenance of ice surfaces. We invite you to bring your skills and expertise to join our team.

TAXES

Notice of the Sitting of the Parcel Tax Roll Review Panel

The 2018 parcel tax assessment roll has been prepared as required by the *Community Charter* and notices have been mailed to registered owners of properties being added to the assessment roll. The assessment roll is available for public inspection during regular office hours at the regional district office in Duncan.

The Parcel Tax Roll Review Panel will meet on Wednesday, February 21 at 12 p.m. in the CVRD Boardroom, 175 Ingram Street, Duncan, to hear requests that the roll be amended.

Property owners may request a correction to the parcel tax roll only with respect to their own property and only for the following reasons:

- there is an error or omission respecting a name or address on the parcel tax roll;
- there is an error or omission respecting the inclusion of a parcel;
- there is an error or omission respecting the taxable area or the taxable frontage of a parcel;
- an exemption has been improperly allowed or disallowed.

For a request to be considered by the panel, the request must be in writing and received at the above address, Attention: Finance Division by 12 p.m. on Monday, February 19.

For more information contact Sharon Moss at 250.746.2572 or smoss@cvrd.bc.ca
