## Grant Funding Provides for a New Sewer Service in Cobble Hill

The CVRD is proposing to combine the Twin Cedars and Cobble Hill sewer system service areas into a new sewer system service area. Costs to taxpayers for the new service area (Cobble Hill Village Sewer System Service Area) would be recovered by a combination of a parcel tax and user fees. The estimated annual cost to residential property owners within the proposed service area would be approximately \$900 per unit, per annum. In order to proceed, the CVRD needs to obtain public approval through an Alternative Approval Process (AAP).

The proposed new service bylaw has received three readings, and the Province has approved moving forward. Electors (residents and non-residents) of the service area have the opportunity to complete an Elector Response Form if they are opposed to the proposal. Forms must be returned to the CVRD by 4:30 p.m., Thursday, September 20, 2018. If more than 29 (10% of 285) electors in the proposed service area are opposed to this proposal the CVRD will be unable to adopt the bylaw, unless a referendum is held.

**If you are in favour of the proposal, no action is required.**

**If you are opposed to the proposal,** please visit our website at [www.cvrld.bc.ca](http://www.cvrld.bc.ca) for further information or to obtain an elector response form. Forms are also available at CVRD's main office, located at 175 Ingram Street, Duncan.
