The Community Plan that is presently in force dates from 1999. Since 2016, Regional District planning staff have been meeting with the Area F Plan Steering Committee in order to review the 1999 Plan. Following significant, and concerted efforts, the Steering Committee has produced a modernized version of the existing plan, and are excited about

sharing this revision with community members to see if we are on the right track.

At the Open Houses, CVRD planning staff and Plan Steering Committee members will be available to explain the changes, highlight the improvements and take notes concerning your opinions. The format of the events will be a series of presentation boards with maps, some tables to sit at, discuss things, and with space to fill out comment forms.

The draft Plan and associated maps are all on the CVRD website at: <https://www.cvrld.bc.ca/2545/Cowichan-Lake-South-Area-F-OCP-Update>

You can also submit any comments by email at the link provided at the above-noted webpage
