

FIREFIGHTER CALL-OUT REMUNERATION POLICY

Applicability: Public Safety

Effective Date: September 12, 2007

PURPOSE:

To establish guidelines for the payment of an hourly fee for volunteer firefighters who are called out to an area outside of their fire protection boundaries.

POLICY:

1. A fee of \$25 per hour will be paid for firefighters responding to calls outside of their fire protection area when a Provincial Emergency Program or Ministry of Forests task number authorizes the response.
2. The Fire Chief must make written request for reimbursement to the Manager of Protective Services.
3. Reimbursement will be payable to firefighters once payment has been received from the applicable agency (Provincial Emergency Program or Ministry of Forests).
